Hi John,

I am trying to get an answer from Sharon Parrish on travel funding for next week. Did you hear anything back from Federal Highways on invitational travel? I am also trying to arrange an interagency site visit the morning of July 17 before the public hearing. I have left messages for Brett Jackson and Greg Punske. Please send those shapefiles to Angel Kosfisz and I will alert him.

Thanks,

i don't have that much information to put on it yet. I've got the Draft EIS and a couple of letters on it.

Are you able to go to the public hearing? Did you get the link to the GIS files? Is there someone in your division who needs them for some GIS work, if so, let me know who it is.

Hi John,

I can't find any information concerning the 2nd access project on the ESC site. What is the secret code?
